REQUEST FOR PROPOSAL FOR

COMMUNITY IMMUNIZATION PROVIDERS (CIP)

1.0 INTENT:

On April 26, 2009, the Acting Secretary of Health and Human Services declared a public health emergency as a result of the detection of 20 known cases of individuals infected by a swine-origin influenza A virus, now known as novel Influenza A (H1N1), in the United States. On June 11, 2009, the World Health Organization declared the first pandemic in over 40 years in recognition of widespread, sustained human-to-human transmission of the virus in multiple regions around the globe. In an effort to respond to these ongoing and emerging outbreaks, the Maricopa Department of Public Health (MCDPH) is seeking community immunization providers (CIP) (eg. medical services firms, retail based clinics, urgent care centers, pharmacies, school districts, etc.) to conduct vaccination clinics. Inventory of vaccine and vaccine administration supplies (i.e. needles, syringes, alcohol preps) will be provided at no cost to contracted immunization providers by MCDPH. Potential bidders are requested to submit a proposal describing their qualifications, target population preference, and agreement to adhere to all terms and conditions contained in this solicitation.

Funding for H1N1 vaccine and administration supplies is being provided by the Department of Health and Human Services' (HHS) under the "Public Health and Social Services Emergency Fund". Immunization providers may bill health care insurance agencies for the administration of vaccine within the amounts and restrictions established by state and federal regulatory bodies. Reimbursement for vaccine administration to the under-insured or non-insured is subject to actual funds being received by MCDPH. There is no guarantee that reimbursement funds will be received. If reimbursement funds are received by MCDPH, reimbursements may be made to contractors based upon the number or percentage of cases handled. In no event shall reimbursement exceed 100% of the current published AHCCCS Fee Schedule in effect on the date services are provided.

Other governmental entities under agreement with the County may have access to services provided hereunder (see also Section 2.11, below)

Multiple contracts with successful contractors may be awarded and the County reserves the right to add additional contractors, at the County's sole discretion, in cases where the currently listed contractors are of an insufficient number or skill-set to satisfy the County's needs or to ensure adequate competition on any project or task order work.

2.0 SCOPE OF WORK:

2.1 Provide a written plan for, and implement influenza vaccination clinics, adhering to accepted community standards of care and OSHA guidelines, in a sufficient number of new or established locations for public access to cover all the population of Maricopa County and in coordination with the MCDPH Office of Preparedness and Response Point of Contact. Provide a list of locations and template of vaccination clinic set-up in RFP response. Provide daily calendar for all vaccine clinics scheduled.

2.2 Demonstrate through specific company history or in a written Plan the ability to securely receive, store and transport vaccine and vaccine administration supplies maintaining proper cold chain procedures where appropriate or enhance cold chain capacity where needed. Provide written documentation of routine cold chain handling procedures for seasonal influenza vaccine and provide a written report documenting H1N1 vaccine safety monitoring, tracking vaccine and vaccine administration supplies.

2.3 Assuming enough vaccine is provided for all residents of Maricopa County, fully staff vaccination clinics with licensed, trained vaccinators and support staff in sufficient numbers to meet the anticipated public demand for infant, children and adult vaccinations per location, as determined by response to Item #1. Provide an electronic list of authorized vaccinators, including license numbers and verification of credentialing, and a timeline for project completion.

- 2.4 Indicate agreement that MCDPH will provide the contracted influenza vaccine to the provider free of cost. Contractor must agree to bill any and all health care insurances covering individuals and to state a minimum reimbursement schedule requested for those without insurance.
- 2.5 Indicate agreement to adhere to Centers for Disease Control (CDC) and State requirements for reimbursement of services such as administration of vaccine and agreement to adhere to CDC guidelines stipulating the Contractor cannot refuse to provide vaccine based on inability to pay. Contractor must agree to any additional restrictions from the CDC and State that may be issued with regards to this program.
- 2.6 The Contractor must agree to adhere to specific CDC, State and local guidelines, if any and as specified by MCDPH, for priority groups to receive vaccinations.
- 2.7 The Contractor will collect and compile documentation of vaccinations including appropriate individual consent forms, and other documentation as requested by MCDPH. The Contractor will be responsible for distributing any information sheets provided by MCDPH for those receiving vaccinations. The Contractor will be responsible for providing MCDPH with an electronic spreadsheet (Excel) of individuals vaccinated (name – first, last and middle initial in individual fields, birth date, address, phone number), date of vaccination, the location the vaccination was provided, and the lot number of the vaccine administered. Additional documentation may be requested by MCDPH but no later than vaccine delivery to the Contractor. The Contractor will also be responsible for all data entry into ASIIS for vaccinations provided under this project.

SMALL BUSINESS PROGRAM

(MCBIZ)

"It is Maricopa County's policy to provide small businesses the opportunity to participate in the County's solicitation process for consideration to fulfill the requirements for various commodities and services.

Maricopa County's small business program specifically targets procurements of \$50,000 and less. However, Maricopa County encourages small business enterprises to submit responses to available solicitations for consideration.

Maricopa County's small business policy can be found on the Materials Management website at <http://www.maricopa.gov/materials/help/sbe.asp>."
