MARICOPA COUNTY AIR QUALITY DEPARTMENT PUBLIC NOTICE

Date of Meeting: June 3, 2016
Start of 30-day Public Comment Period: May 11, 2016
End of 30-day Public Comment Period: June 15, 2016

Maricopa County Air Quality Department, Monitoring Division at 2145 S 11th Ave Suite 170, Phoenix, AZ 85007, will hold a public meeting to discuss our 2015 Air Monitoring Network Plan (AMNP) as well as the sites selected for our near-road nitrogen dioxide (NO₂) air monitoring network.

This year's public comment meeting will be held June 3, 2016, at 1:00 p.m. at the Air Monitoring Division's office located at: 2145 S. 11th Ave. Suite 170, Phoenix, AZ 85007. The purpose of the meeting is twofold: to receive comments from the public on the draft ANMP and the near-road NO₂ network. Members of the public may comment in person at the meeting or through written statements to the department.

The AMNP reports the ambient air monitoring activity captured by the department's 26 air monitoring sites throughout Maricopa County in 2015. The AMNP provides a summary of the airborne pollutants measured, the air monitoring network design, air monitoring site details, and statistical analyses of pollutant data from 2015 among other information. The Near-Road NO₂ Site Selection Report is included in this year's ANMP as Appendix III. The report covers the evaluation process used to select the best geographical locations for two near-road monitoring sites in the greater Phoenix metropolitan area.

Additional information on the draft AMNP and the near-road sites may be obtained by contacting Ben Davis at: 2145 S. 11th Avenue #170, Phoenix, AZ 85007 or (602) 258-5155, ext. 221. An electronic copy of the draft AMNP is available on the department's website at: <http://www.maricopa.gov/aq/divisions/monitoring/network.aspx> and <http://www.maricopa.gov/aq/news/PublicNotices.aspx>.

Hard copies of the document may be requested from the department's Records Management Coordinator at (602) 506-6201 or at the department's address: 1001 North Central Avenue, Phoenix, Arizona 85004. Arrangements may be made to view the information during business hours. There is a small fee for copying available documents.

Written comments must state the name and mailing address of the person making comment and be signed by that person, an authorized agent or attorney. Written comments may be mailed to the Air Monitoring Division's address shown above or emailed to: bdavis@mail.maricopa.gov. All comments are due to the department by 5:00 p.m. Friday, June 15, 2016.

A sign language and/or Spanish interpreter will be made available upon request with a 72-hour notice. Additional reasonable accommodations will be made available to the extent possible within the timeframe of the request.
