The screenshot shows the Cigna Medical Group website in a Microsoft Internet Explorer browser window. The browser's address bar displays the URL <http://www.cigna.com/cmga2/index.htm>. The website's navigation menu is highlighted in green, with the "FIND A DOCTOR" option selected. The main content area features a "Welcome" message, a featured doctor profile for Dr. Sudha Kamineni (Internal Medicine), and a "Doctor & Location Finder" search tool. The search tool includes input fields for "Doctor's Name", "City", and "OR ZIP Code", along with a "NEXT" button. Below the search tool, there are links for "Locations", "Urgent Care", and "CareToday". The website also displays a "Take a virtual tour" button and a "Feedback" link. The browser's status bar at the bottom shows "Done" and "Local intranet".

**Step 3.** In the dropdown menu under "Find a Doctor", select the type of doctor you would like to learn more about. (For example: Family Medicine)

**Step 4.** Then, by clicking on a doctor's name, you can find out their location, education, Board Certifications and specialty type.
