

Catamaran Pharmacy Plan Overview

Catamaran is the administrator of the County's pharmacy benefit plan. All eligible employees and their dependents enrolled in a Cigna medical plan (except for the Cigna Choice Fund Medical Plan) are covered under the Catamaran Co-Insurance benefit plan. Catamaran partners with Walgreens for some services such as: Mail Plan Service Pharmacy and Mail Plan Service Refills.

Co-Insurance Plan

A multi-tiered plan in which different co-insurance (percentage of the cost) is charged (unless the applicable minimum or maximum copay threshold is met) based on the drug classification. The plan covers generic, preferred brand name and non-preferred brand name medications and uses a preferred medication list.

The plan requires maintenance medications to be filled in 90-day quantities after two 30-day fills at a retail pharmacy. The 90-day fills are available through Catamaran's network of retail pharmacies and through Walgreens Mail Service.

Retail Pharmacy

The retail network of pharmacies is available for prescriptions you need right away or for the first two fills of maintenance medications. You may obtain up to a **30-day supply** of medication. You have more than 62,000 retail pharmacies to choose from nationwide including Walgreens, Albertson's, Sam's Club, Target, Fry's, Safeway and Wal-Mart, to name just a few. To locate the nearest retail pharmacy, access the www.walgreenshealth.com web site or call Catamaran's Member Services at 866-312-1597.

Walgreens Mail Service

When you need a maintenance medication you may order up to a **90-day supply** of the medication through the Walgreens Mail Service facility. Ask your physician for a new prescription that will allow you to obtain up to a 90-day supply of the medication at one time. Medication ordered through mail service may be delivered to any address you choose such as home, work or even a local Walgreens pharmacy.

Walgreens90

A **90-day supply** of maintenance medication may also be purchased at an Advantage 90 retail pharmacy. An Advantage 90 retail pharmacy is a pharmacy that has agreed to a negotiated rate when dispensing a 90-day supply.

Prescription ID Card

Present your prescription ID card every time you have a prescription filled. Your group number is 512229. The employee's and all covered dependent's names and person codes are displayed on the ID card. If you have not received your ID card or you don't have it with you, the pharmacy can contact Catamaran's Member Services at 866-312-1597. Your ID number is your County employee ID number (starting with 81). If you are not yet in the Cataman system, you will need to pay out-of-pocket for your prescription and submit a reimbursement form.

Questions & Answers

Q. What should I do if I want to begin using the Walgreens Mail Plan Service Pharmacy?

A. New members should receive a packet containing their new Catamaran prescription ID cards. The packet also contains a mail order registration form. Complete the form and send it to Walgreens Mail Service Pharmacy along with a prescription written for at least a 90-day supply. Q. What do I do if the pharmacy says I’m not eligible when I request my prescription be filled?

A. If the prescription doesn’t process for any reason, you should call Catamaran’s Member Services at 866-312-1597. If there is an eligibility issue, you will be referred to the Maricopa County Employee Benefits Division at 602-506-1010. Benefit Analysts are available 8 AM – 5 PM, Monday – Friday, to assist you.
